Name of Fund

Investor

I/We, the undersigned (collectively, "I"), wish to become a limited partner of the the Partnership, a Delaware limited partnership, and to purchase a limited partnership interest (an "Interest") in the Partnership upon the terms and conditions set forth herein, in the Private Placement Information Memorandum of the Partnership, as the same may be updated or modified from time to time (the "Memorandum"), and in the Limited Partnership Agreement of the Partnership, as the same may be amended from time to time (the "Partnership Agreement"). Capitalised terms used herein but not defined herein shall have the meanings assigned to them in the Partnership Agreement.

1. I agree to make a capital contribution (a "Capital Contribution") to the Partnership. I have or will remit funds by bank wire. I agree that a Subscription Processing fee of 1% of the value of the Investment, up to a maximum of US\$1,000 or foreign exchange equivalent thereof will be deducted from the my remittance.

2. I understand this Partnership is a private partnership, not offered for sale to the general public, and agree that the General Partner reserves the right to reject this subscription for an Interest for any reason or no reason, in whole or in part, and at any time prior to its acceptance. If the subscription is rejected, the Payment will be returned promptly to the me and this subscription agreement (the "Subscription Agreement") shall have no force or effect. Upon acceptance of this subscription by the Partnership, the I shall become a Partner.

3. I, understand that an investment in the Partnership is risky. I am willing to bear the risks associated with an investment in the Partnership. I understand that an investment in the Partnership can result in the loss of all capital I invest. I am willing and able to bear that risk. I also understand that an investment in the Partnership is not liquid and that I might not be able to realize or receive any return from this investment for an indefinite period of time.

4. I have received and carefully read Partnership Agreement and the Private Placement Information Memorandum (the "Memorandum") other materials relevant to my investment. I understand the investment objectives and the investment program of the Partnership. I understand the Partnership will invest a substantial portion of its capital in equity and debt investments in startup and early stage companies. I understand the risks of the investments the Partnership can make and that the investments the partnership may make can be more risk than other types of investments. I understand the types of expenses the Partnership may incur in the course of making its investments. I've made my decision to invest based on my own knowledge and experience and I have not relied only on the information provided to me by the General Partner or its affiliates.

5. I understand this Partnership is a private partnership and Interests in the Partnership are not registered for public trading. I understand the General Partner has no obligation to register the partnership with any regulatory authority. I understand that I cannot sell or transfer my interest in the Partnership without the consent of the General Partner. I understand the General Partner has no obligation to allow any Partner to transfer its interest. I am investing in the Partnership for my own account, as an investment, and I have no intention to sell or transfer my interest in the Partnership to anyone else.

6. I understand an investment in the Partnership is suitable only for investors who are willing and able to bear the risks of investing in the Partnership and who have sufficient knowledge and experience in financial and business matters to make their own judgment as to the merits and of investing. I also understand that an investment in the Partnership by itself is not a complete investment program and that an investment in the Partnership should represent only a portion of any investor's overall investment portfolio.

7. I understand the Partnership has no obligation to distribute Partnership income to investors other than upon realizing profits from sales of the investments the Partnership makes. I understand that distributions of capital may be made in cash or in the form of other securities.

8. The General Partner may rely in full on the representations I have made as to my willingness, ability and qualification to invest in the Partnership. My investment in the Partnership will not be done in violation of any law, regulation or agreement to which I am subject.

9. I understand and agree that although the Partnership, the General Partner and the Administrator will use their reasonable efforts to keep the information provided in the answers to this Subscription Agreement strictly confidential, the Partnership, the General Partner or the Administrator may present this Subscription Agreement and the information provided in answers to it to such parties (e.g., affiliates, attorneys, auditors, administrators, brokers and regulators) as it deems necessary or advisable to facilitate the acceptance and management of the Investor's Capital Contributions including, but not limited to, in connection with anti-money laundering and similar laws, if called upon to establish the availability under any applicable law of an exemption from registration of the Interests, the compliance with applicable law and any relevant exemptions thereto by the Partnership, the General Partner or any of its affiliates, or if the contents thereof are relevant to any issue in any action, suit or proceeding to which the Partnership, the General Partner or its affiliates are a party or by which they are or may be bound. The Partnership, the General Partner or the Administrator may also release information about me if directed to do so by me, if compelled to do so by law or in connection with any government or self-regulatory organization request or investigation.

10. I understand that from time to time the General Partner or the Partnership's accountant will provide statements of my investment in the Partnership and that valuations of the Partnership's investments that are the basis for those statements may be based on estimates provided either by the General Partners or an independent third party and that the final result of my investment can only be determined based on the realized income and profits the Partnership earns and distributes.

11. I agree to indemnify and hold harmless the Partnership, the General Partner, the Investment Advisor, the Information Agents, Legal Counsel and the Administrator and their respective affiliates, against any and all loss, liability, claim, damage and expense whatsoever (including all expenses reasonably incurred in investigating, preparing or defending against any claim whatsoever) arising out of or based upon (i) any false representation or warranty made by the Investor, or breach or failure by the Investor to comply with any covenant or agreement made by the Investor, in this Subscription Agreement or in any other document furnished by the Investor to any of the foregoing in connection with this transaction or (ii) any action for securities law violations instituted by the Investor which is finally resolved by judgment against the Investor. The Investor also agrees to indemnify the Partnership, the General Partner, the Investment Advisor, the Information Agents, the Administrator, the Legal Counsel and their respective affiliates and agents for any and all costs, fees and expenses (including legal fees and disbursements) in connection with any damages resulting from the Investor's misrepresentation or misstatement contained herein, or the assertion of lack of proper authorization from the Beneficial Owner to enter into this Subscription Agreement or perform the obligations hereof.

12. If any provision of this Subscription Agreement is invalid or unenforceable under any applicable law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such applicable law. Any provision hereof which may be held invalid or unenforceable under any applicable law shall not affect the validity or enforceability of any other provisions hereof, and to this extent the provisions hereof shall be severable.

13. The Partnership may request from me such additional information as it may deem necessary to evaluate my eligibility to acquire an Interest, and may request from time to time such information as it may deem necessary to determine my eligibility to hold an Interest or to enable the General Partner to determine the Partnership's or the General Partner's compliance with applicable regulatory requirements or the Partnership's tax status, and I agree to provide such information as may reasonably be requested.

14. I agree to notify the General Partner promptly in writing if there is any change with respect to any of the information or representations made herein and to provide the General Partner with such further information as the General Partner may reasonably require.

15. This Subscription Agreement may be executed electronically, through the use of separate signature pages or in any number of counterparts. The counterparts shall, for all purposes, constitute one agreement binding on all the parties, notwithstanding that all parties do not execute the same counterpart.

16 I agree that the law governing my investment in the Partnership shall be the law of the State of Delaware. In the case of disputes arising from my investment I agree to submit to binding arbitration in the jurisdiction of the American Arbitration Association. I understand that my agreement to settle disputes through arbitration does not alter any right I may have under the laws of the Investment Advisors' Act of 1940.
